

Please join us at The WEConnect Resource Fair!

First Lady of California, Maria Shriver, wants your help. Her **Earned Income Tax Credit (EITC) Initiative** connects Californians with the nation's largest resource for low income families. The EITC could give families up to \$4,700 and pump over \$5 billion into the California economy if everyone eligible claims it. Please join the First Lady and spread the word to help break the cycle of poverty for low income working families!
